Theme: Early Identification, Early Intervention, Better Outcome

Greetings from the heaven on earth!!!

It gives us a great honour, privilege and pleasure to extend a warm and cordial invitation to you on the occasion of 21st National Conference of the Academy of Pediatric Neurology – **NEUROPEDICON - 2022** to be held on **September 09-11, 2022** at Sher-i-Kashmir International Convocation Centre (SKICC) Srinagar Jammu & Kashmir India.

This year the Department of Pediatrics, Government Medical College Srinagar & IAP Kashmir branch, has been accorded the distinction of hosting the **NEUROPEDICON - 2022**. Our endeavor will remain to make this event most fruitful and memorable.

The **NEUROPEDICON - 2022** shall further enrich heritage of academic excellence, Kashmiri culinary delights, latest updates and numerous other first-time experiences. Moreover, often described as the “**PARADISE ON EARTH**” the beauty of Kashmir is compared to that of Switzerland, with its snow capped mountains and picturesque landscapes. The valley of Kashmir is enchanted with the beauty of all four seasons – spring, summer, autumn and winter; each season enthralls you to the maximum of its beauty. The serenity of lakes, forests, rivers and gardens mesmerize the one and all. The chirping sound of birds, the melody of flowing rivers and the hues of flowers leave you spell bound. The month of September will let you see the golden color of the valley.

We are eager to welcome you along with your family and seek your active participation for a scintillating experience, which will leave you with numerous sure-stay rejoicing memories, moments and more. We look forward to your whole-hearted support and participation to make this conference a memorable time for each of us.
